There are many ways for individuals, or families to make donations to support the efforts of the Plymouth Community Foundation. These include not only cash donations, but also donation of securities, real estate, or personal property. There are also deferred gift options such as bequests, life insurance, Trusts with charitable provisions, retirement funds, or beneficiary designations, etc.. Due to the potential complexities and tax implications of these types of gifts, it is best that non-cash gifts be discussed with a trained professional.

- I (we) are interested in learning more about the Plymouth Community Foundation, and discussing the above-listed gifting options with a knowledgeable representative of the Foundation. Please contact me to schedule an appointment.

- I authorize the Plymouth Community Foundation to publish my name in recognition of my gift.

Thank you for your consideration and for supporting the efforts of the Plymouth Community Foundation. Please return this form to:

Plymouth Community Foundation
